

Providing medical equipment and supplies for those in need worldwide

DO A WORLD OF GOOD

msni

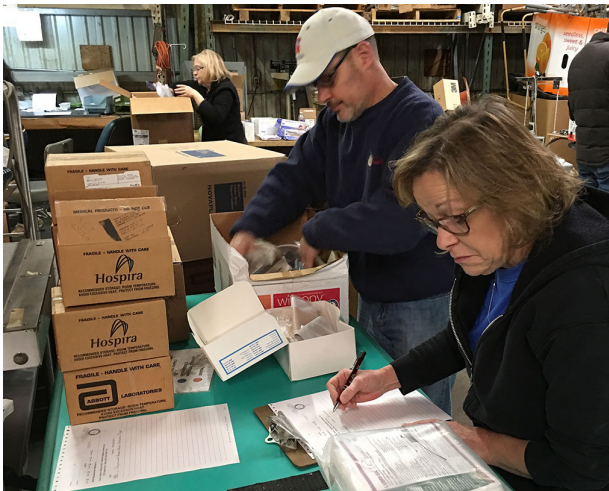

Medical Supplies Network, Inc.

MSNI has now shipped 221 Containers with its first shipment to Cambodia

You never know what items are going to be packed for shipment overseas. This is an **infant resusator**. Who knows if this will one day save a life because MSNI made it available for service over seas.

25 Mountain Home, AR Rotarians came out on a cold afternoon to meet MSNI director VJ Lively and load his truck with their collection of donated equipment and supplies. Students from the Cotter Interact Club and members of the MHHS football team also came out to help.

Counting and packing. That's the primary thing that is done during a MSNI Service Day. Here, Bixby Rotarian Jim Robinson and his wife, Tena, prepare inventory sheets during a recent service day.

VJ was also the guest speaker at their Rotary club meeting and presented a great program on our district's own foundation, MSNI! "Proud to be a Rotarian!" (Article/photo by BKNelson)

REMEMBER

MSNI is not just a TULSA project. It's a DISTRICT project.

All clubs in district 6110 share ownership in the Medical Supply Network, Inc.

Please visit MSNI.org and learn about our mission and our goals. This is an international effort that clubs small and large can easily support with both financial and physical efforts.

Become an MSNI Ambassador

A person, club or entity that donates \$1,000 or more is recognized as an Ambassador of MSNI.

NEW AMBASSADORS
 Karin Loudermilk
 Joe Mills
 Kaylee Berry
 Stephen Maxwell
 Ray Tucker

 Marilee Brodbeck

DID YOU KNOW...?

The Medical Supplies Network, Inc. has been endorsed by several past presidents of Rotary International. **Frank Devlyn**, Past Rotary International President visited MSNI in 2006. This excerpt is from a letter dated September 2015.

"I am happy to recommend the good work of Medical Supplies Network, Inc. (MSNI), which has given an untold amount of medical equipment to developing countries via their alliance with Rotary Clubs of District 6110 in Oklahoma, Arkansas, Missouri, and Kansas.

MSNI has made sure that all medical equipment and supplies sent to these developing countries is in good working condition. Thousands of lives have been benefitted thanks to this outstanding Rotary / MSNI project."
